UNLOCK YOUR CAREER POTENTIAL

with ADEPT's new Leadership Pathway Programme

ADEPT's unique new leadership programme is designed for managers working in place services looking to elevate their career, make a meaningful impact and develop their skills as a future leader.

Developed in partnership with Solace, ADEPT's inspirational programme has been designed to meet the needs of managers looking to move into a more senior leadership role. It is the precursor to ADEPT's highly regarded Leadership Development Programme.

With climate change, levelling up and budgetary pressures at the forefront of local and national agendas, place leadership requires the constant balancing of strategic priorities with the ongoing provision of day-to-day services. It needs dynamic leadership as well as an ability to bring a cross-sector approach to the demands of the role. The Leadership Pathway Programme offers you a chance to explore and develop these skills to elevate your potential.

Created for people currently in an officer or manager role from Tiers 5 and 6 as well as potentially from Tier 7, depending on experience. Applicants need to demonstrate the ambition and ability to make a difference to their place, organisation and to ADEPT.

Working with colleagues, place directors, course leaders and guest speakers, the programme will give you the opportunity to explore:

- Self-awareness and your personal brand
- EDI awareness and understanding and being an inclusive leader
- Creating a high performing team and leading a team
- Working across the organisation and collaboration
- Developing networks with colleagues from across the country
- Being an effective manager
- Leading for place
- Political astuteness
- Managing your career

Through a comprehensive schedule of online sessions and interactive module days, you'll gain the insights, tools, and strategies needed to thrive in a place-based leadership role.

Don't miss this opportunity to transform your career path and become an inspiring leader, helping to shape vibrant and sustainable communities.

Each programme will launch with a detailed overview of the aims, concepts and modules and an opportunity to network with colleagues. The two-hour online launch is followed by five module days:

- Launch: 2-4pm, 31 October 2024
- Module 1: 18 & 19 November 2024
- Module 2: 16 & 17 January 2025
- Module 3: 6 March 2025

We are seeking expressions of interest from a wide range of people and backgrounds. ADEPT is committed to providing opportunity, encouraging diversity and enabling both the programme and our organisation to benefit from fresh perspectives in an inclusive environment.

The entire programme costs £999* and we hope aspiring leaders will take advantage of a programme designed specifically for them. The deadline for applications is Friday 20th September 2024.

* Costs do not include accommodation and are subject to VAT at standard rate.
