

# The Link between Criminality and KSI's

Chief Supt Marc Clothier

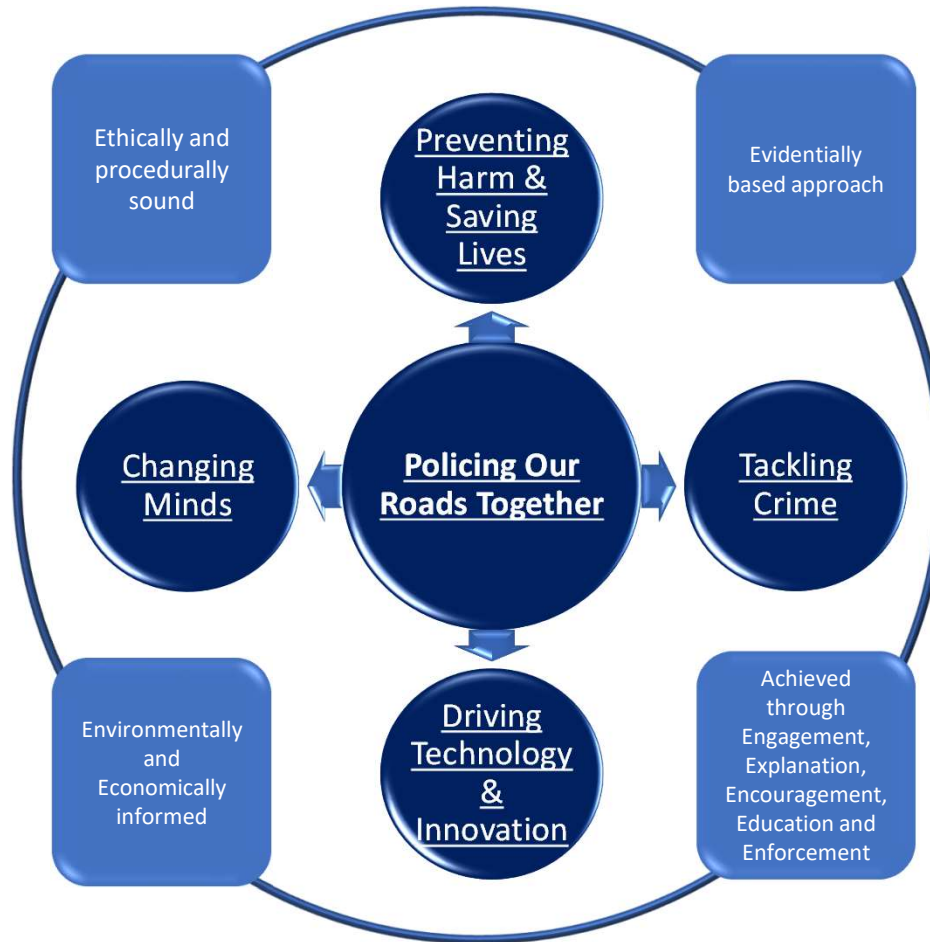

# A question!

- Which group of drivers have the highest percentage of non-motoring convictions?

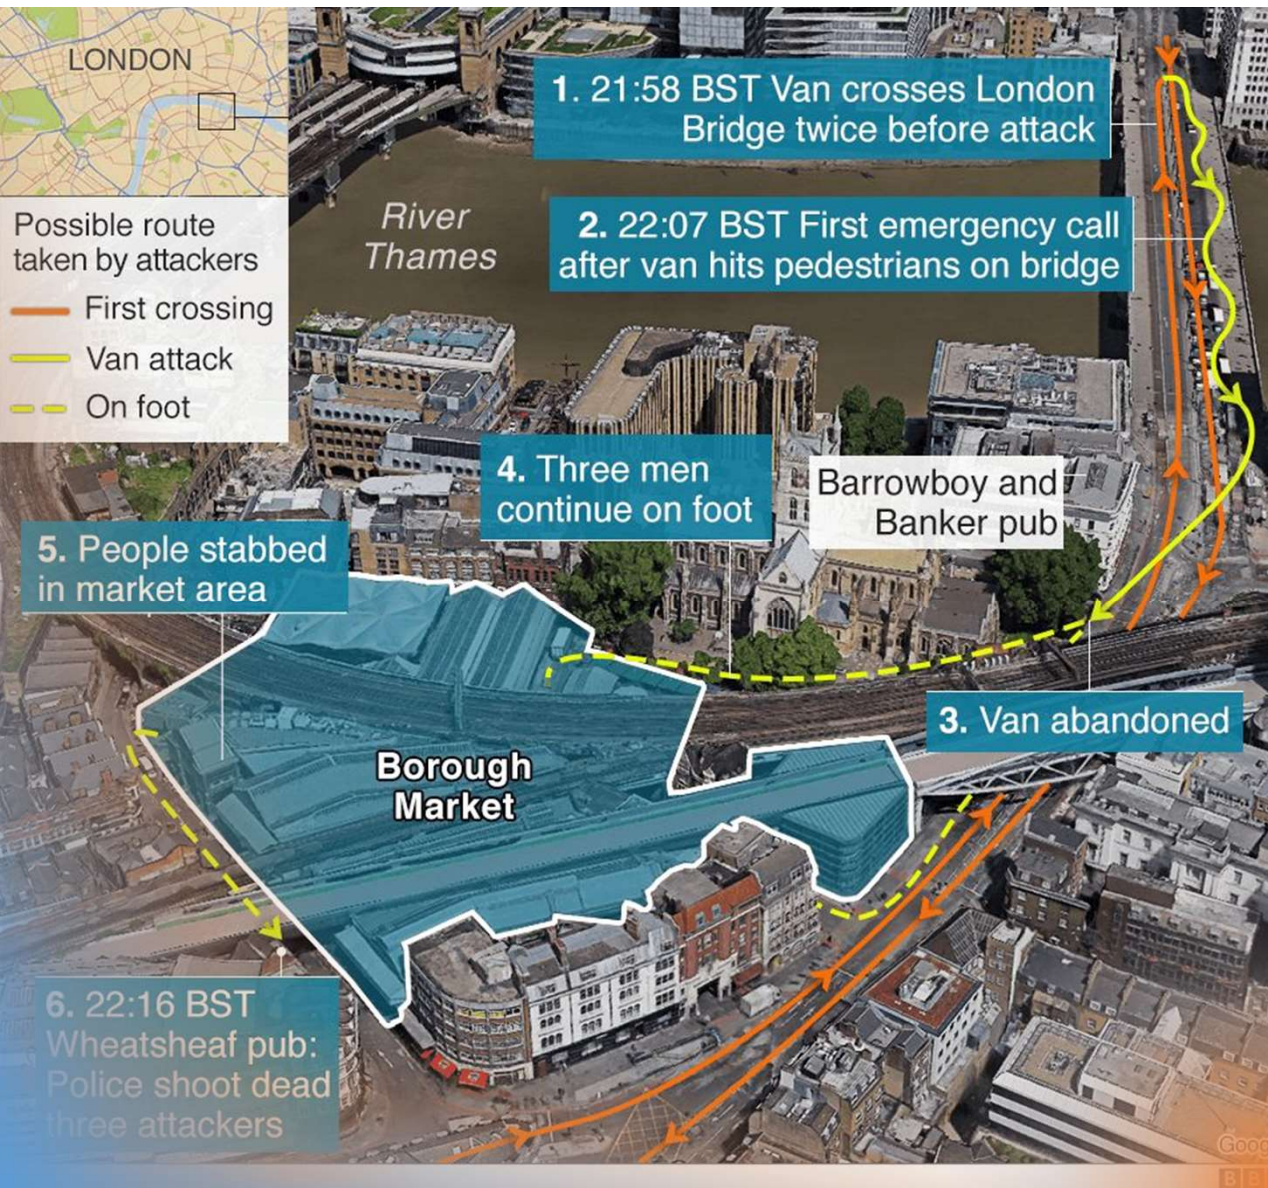

**National Roads Policing Strategy  
2022-2025**

Click on  
each pillar  
to find out  
more

- In 2022, under free-flowing traffic conditions, 50% of car drivers exceeded the speed limit on 30mph roads compared to 45% on motorways and 11% on national speed limit single carriageway roads.

# Drug Drivers

**Of all the tests conducted during OP Limit  
53.6% were positive**

**NRPOII Drug Driver Offender Profile**

*Males*

*30 years and under*

*Cannabis*
