

Annual Review 2023/24 and Forward Plan 2024/25

Placing Communities First, our Strategic Plan for 2023-26, has six priorities:

1. Ensuring resilience in local government structures and governance
2. Levelling up for people and place
3. Delivering green growth
4. Taking action on climate change
5. Our most valuable asset is our people
6. Being the best we can be

Specific objectives for 2024/25:

- Networking and learning:- to enhance the delivery & impact of Regional and National Subject Boards and working groups; maintain strategic engagement with key government departments and agencies plus other relevant organisations (Objectives 1, 2, 3 & 4).
- Influencing and policy development:- to prepare for a new government and subsequent spending review, including raising ADEPT's profile with parliamentarians (Objectives 1, 2, 3 & 4).
- Workforce development:- develop an innovative campaign to tackle recruitment challenges of 16–25-year-olds within the sector and to improve equality, diversity and inclusivity within the place workforce (Objective 5).
- To continue to offer excellent membership services:- to further grow our membership, offer quality training and development programmes, and build our commercial partnerships (Objectives 5 & 6).
- Research and development:- to use the Live Labs 2 model to establish ADEPT as leading the way in implementing innovation in the highways sector and others (Objective 6).
- Organisational development:- seek more active engagement from Executive Place Directors in order to a) ensure resilience within the Leadership Team b) deliver ADEPT messages more widely and c) raise ADEPT's profile (Objective 6).
