

Traffic & Safety Group minutes 16th December 2025

- Continuing work with Parliamentary Advisory Council for Transport Safety (PACTS) on Safe System in preparation for the new national road safety strategy.
- With National Highways and UKRLG on the now published Roads and Bridges Suicide Prevention Guidance (<https://ukrlg.ciht.org.uk/media/4lapn2qq/ukrlg-roads-and-bridges-suicide-prevention-guidance.pdf>).
- Further discussions on connected vehicle data, the use of speed, harsh braking information, etc. - given the costs of obtaining this data, a desire for central DfT action on provision.
- Recognised the recently published PACTS report on seat belt and mobile phone use (<https://www.pacts.org.uk/hidden-risks-on-uk-roads-seat-belts-mobile-phones/>).
- And the All Party Parliamentary Group for Transport report on the use of ghost plates on vehicles (<https://transportsafetyappg.org.uk/inquiries/vehicle-registration-plate-inquiry/>).
