

Value for Money Benchmarking Club

What's new for 2020?

Value for Money Analysis

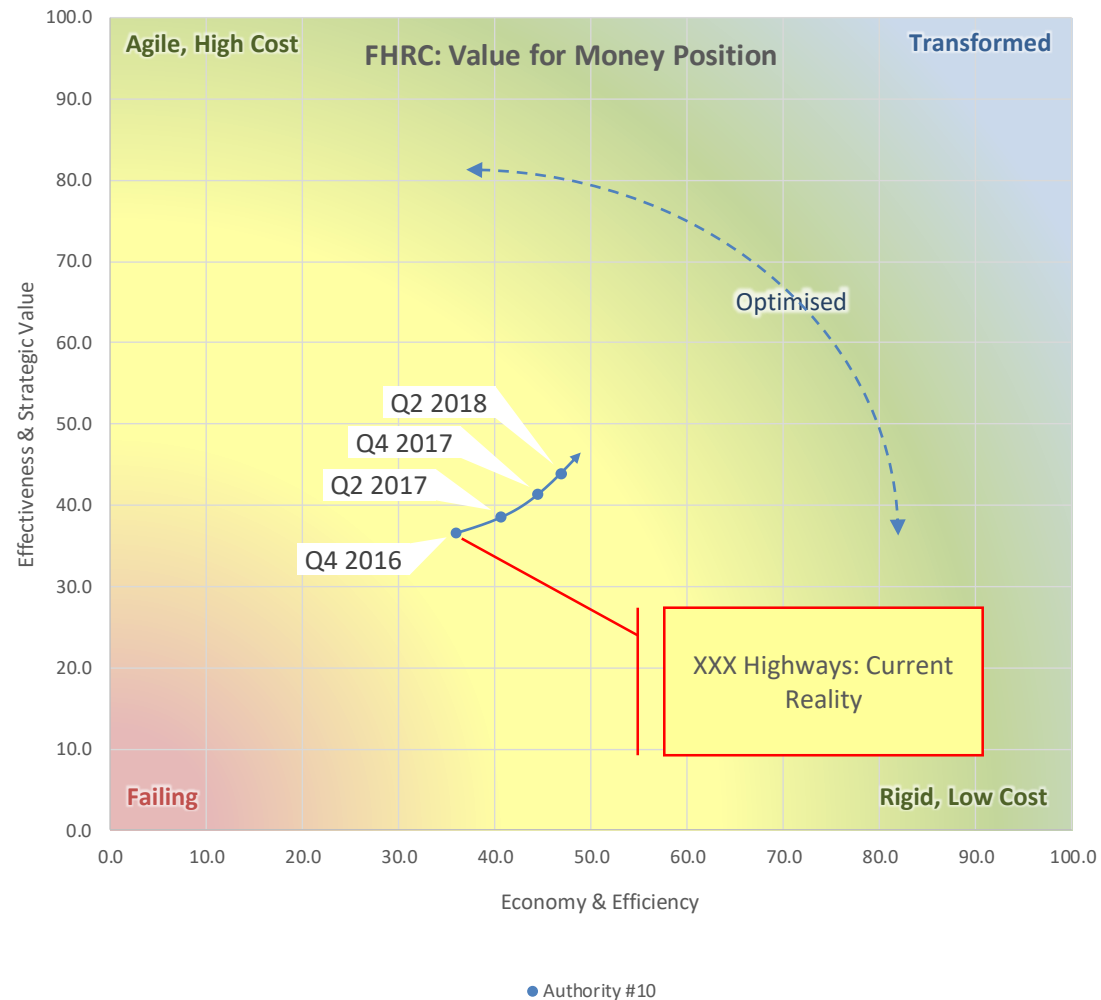

Identifying & Proving Best Value & Sustainable Services

Research Programme (CVRC, 2011) ©Proving, Farquharson, Perrin & Wilson 2020

Benchmarked Position (FHRG)

Confidence Adjusted (Including Strategic Value)

VfM Benchmarking Club 2020

What's New

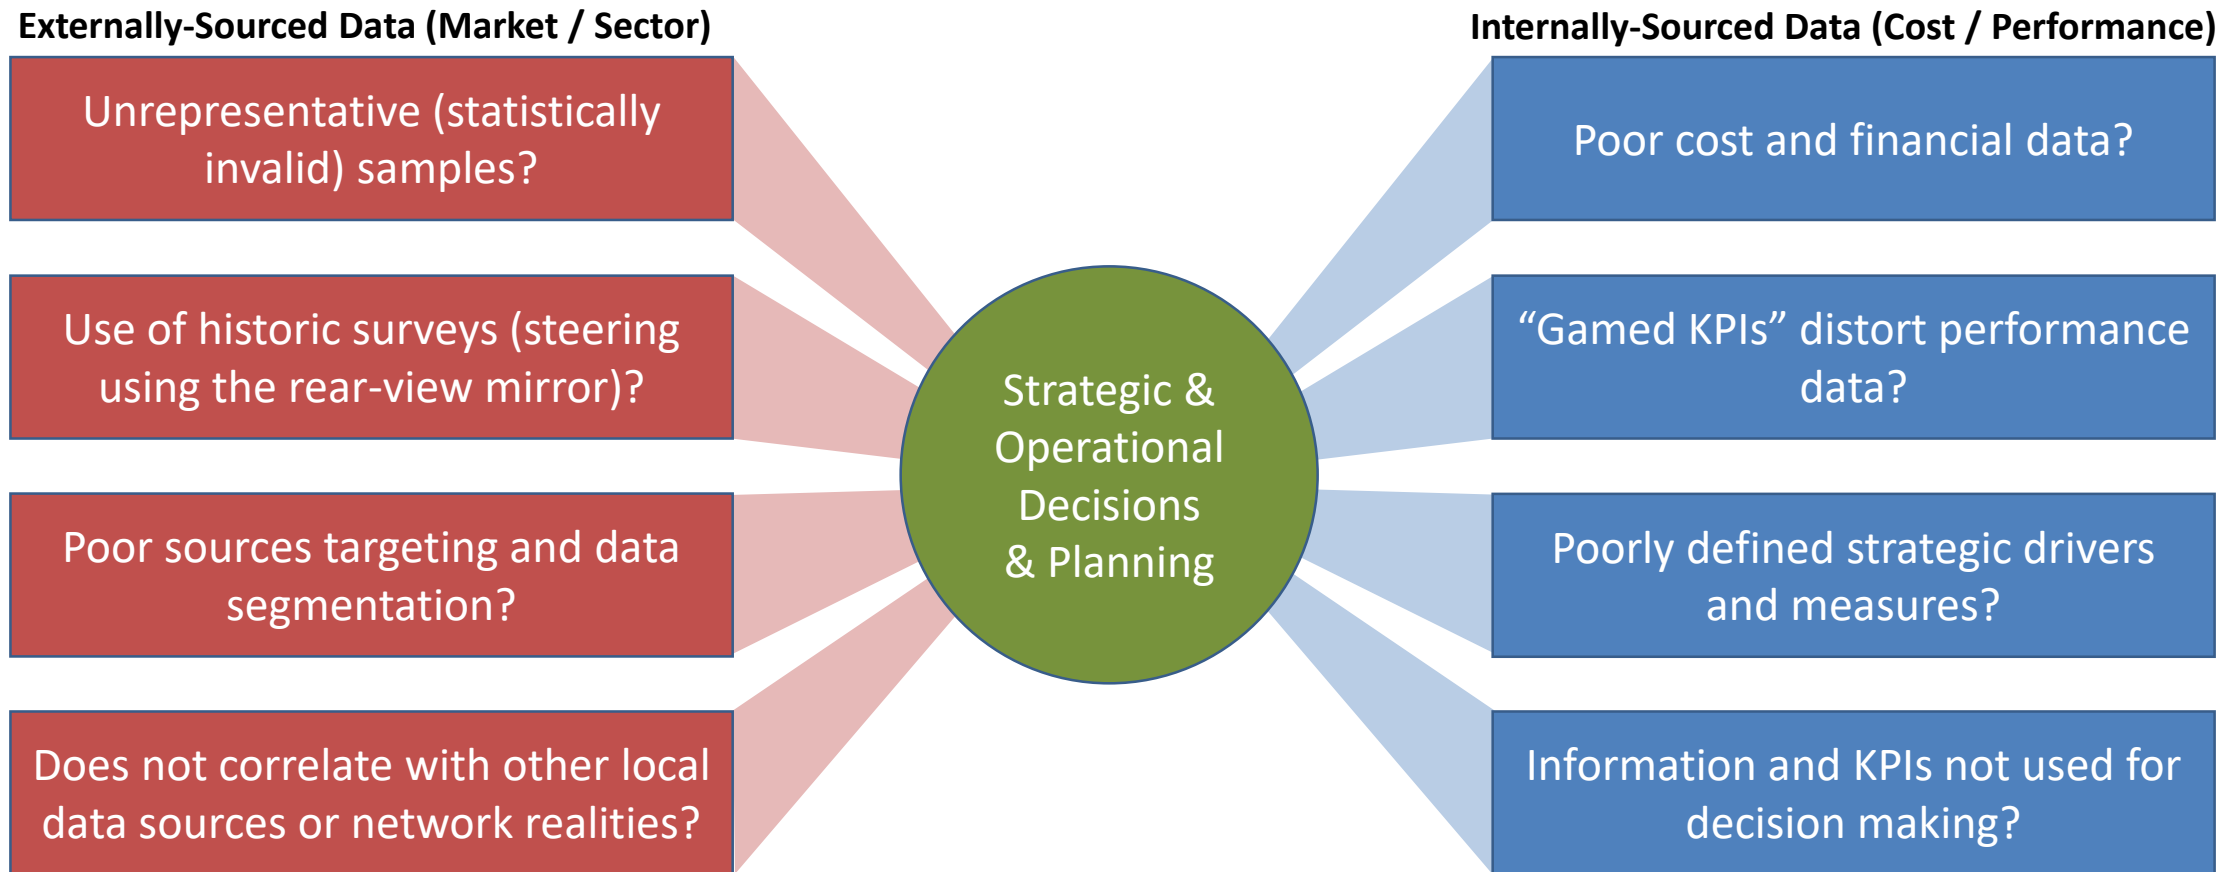

- **31 Club Members**
 - Representing 61% of the network and approx. 20.8 million citizens.
- **Value Analyser™ 2020 (v12)**
 - Many new capabilities and a new reports dashboard.
 - Tight integration with “**Big Picture**” for elective data sharing and benchmarking.
- **A new and extended VfM factor set.**
 - Fully refreshed for 2020 assessments.
 - Two new dimensions; **sustainability** and, optionally, **mutuality**.
- **Enhanced quantitative analysis.**
 - Actual values, in any format, can now be added to any assessed factor.
 - Quantitative analysis is supported on the new dashboard.
 - New quantitative measures are proposed for the 2020 assessment.
- **VfM assessments can optionally include peer reviews and suggestions.**
 - Much missed from HMEP reviews and will be trialled in the 2020 VfM assessments.
 - **Peer reviewers please apply now.**
- **Club membership is available to all ADEPT members.**

“Big Picture”: Better Sector Data (Full Stop)

Sector Specified, Sector Sourced, Sector Owned & Independently Assured

We really need to talk about data...

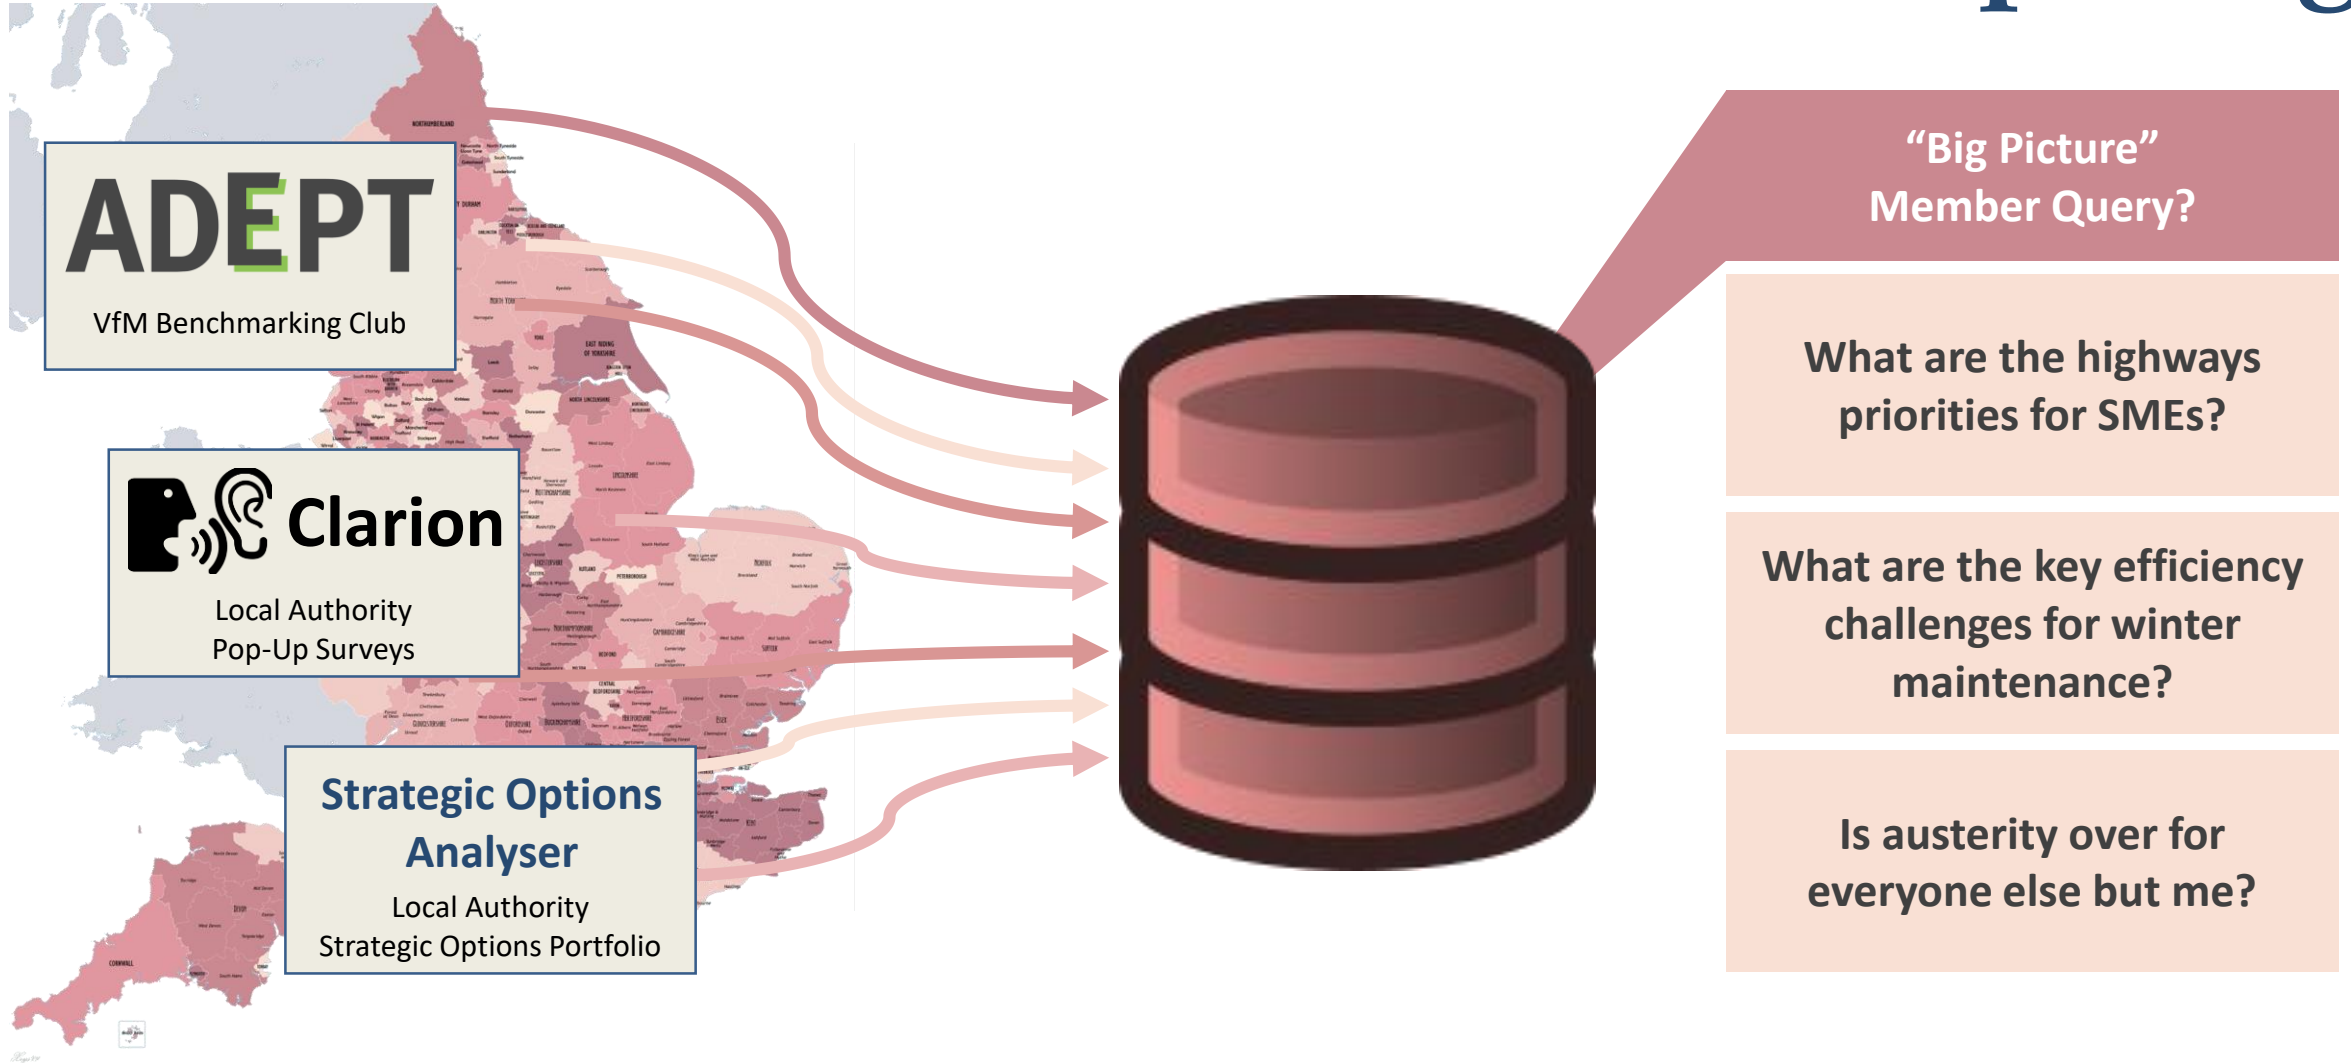

“Big Picture”: Better Sector Data Initiative

Simple, Low-Cost, Effective

Elective Data Sharing & Collaboration

Sector Owned & Sector-Defined Data Sets

“Big Picture” and VfM Benchmarking Club 2020 membership will be available in April 2020.

Membership will incur a modest annual fee, to include FHRG membership*.
