

## **Planning, Housing and Regeneration Board- 10 March 2017**

The Planning, Housing and Regeneration Board has met on the 2 December 2016 when it discussed the Neighbourhood Planning Bill. It subsequently met on the 10 March when the Housing White Paper was discussed. The Board received a presentation on the Local Partnership's Housing Tool Kit. This was followed by a presentation on the Local Adaptation Advisory Panel and Responses to the 2017 Climate Change Risk Assessment.

The Board continues its engagement with the Department for Communities and Local Government (DCLG) the highlight of which was a half-day workshop on the 10 March, exploring the options for local growth funds and European funding post-Brexit. The workshop was carried out in association with colleagues from CEDOS.
